Rivermont Esso Edges Kings 8-7

Rivermont Esso scored four big runs in the fifth inning to take an 8-4 lead, then stopped a last inning rally by Kings Mkt. for an 8-7 win in the Class "A" softball league in Lynchburg last week.

Kings started off fast as the first five batters got hits and produced four runs, but Esso came back to tie it at 4-4 in the fourth on a big home run by Ernie Guill. Alton Harris then hit a two run homer for Kings in the top of the fifth for a 6-4 lead until Rivermont got their four for the lead in the fifth. Kings scored once in the seventh and left the tying run on base.

Alton Harris led the attack for Kings with three hits and driving in three runs. He was followed by Buddy Wilcox and Alvin Phelps with two hits each.

Herb Duff, Gibson and Epperly led the Esso team with two hits each.

The win gave Rivermont a 1-1 mark and made Kings 1-1 also for the second half.

McDaniel-Kelly Rips Kings 19-6

McDaniel - Kelly hopped on Kings Market for seven runs in the first inning and then went on to win 19-6 in a Class "A" league softball game in Lynchburg last week. The last made Kings 1-2 and made McDaniel-Kelly 3-0 for the second half.

The Kelly team batted around in the first with eight hits in scoring their seven runs. They scored at least one run in each inning the rest of the way.

Kings had trouble getting hits when they needed them as they left runners on base in each inning except one. In four of the innings they left two men on each time. They scored four runs in the fourth and left two on and then managed only single runs in the fifth and seventh.

Earl Martin led Kings with three hits and Alvin Phelps and Eddie Gunter each had two.

Richard Daniels and Jimmy Cash led the McDaniel-Kelly team with four hits each. Harris had three and B. Lee, B. Childress, Lindsey, C. Falwell and T. Falwell each added two apiece. Daniels, Childress and C. Falwell each had a home run.

Herbert Goodman, C.L.U., Insurance Advisor for Appomattox and Buckingham County Farm Bureaus, has been recognized for his outstanding production of life insurance sales.

Goodman has been named a Farm Bureau All Star Winner and has received an expense-paid trip to St. Augustine, Florida, for himself and his wife June 28-July 1.

Only 10 advisors in Virginia were declared All Star Winners. This was for production during the first three months of 1971.

"Standards for this contest were such that only the most outstanding members of our sales force were able to qualify as All Stars," said J. Harvey Cox, Director of Marketing for the Virginia Farm Bureau Insurance Companies.

The Southern Farm Bureau Life Insurance Company is conducting an All Star Conference in St. Augustine June 28.

'Yankees' Of Appomattox

Two of the YANKEES (above) have hit home runs this year – (as of Fri.), Tommy Wingfield and Tommy Bryant, and the rest of these spirited young players may very well do the same judging from the enthusiasm of the team. The YANKEES are a part of Appomattox County's growing Youth League baseball activities, brought about by the many, many hours of volunteer coaching and managing by parents and friends. Appomattox Garment Company is the sponsor. Front row(from left): Andy Wingfield, John Rothgeb, Mike Kelso, Barry Martin, Freddy Mitchell, Mike Martin and Bobby Carter. The BRAVES (above) like to play ball and their big smiles are an indication that they intend to climb higher in that win-loss column! Oakville - 11 Wins & Top Hitter

Oakville is tied with the Orioles (as of Tues.) for number of games won thus far in the current Youth League season. Pete McFadden (back row, left) and Ralph Harris (back row, right) are the managers of this spirited team. In the photo above are the "Pee Wees" of Oakville and the older team as they posed at the Lynchburg Stadium recently when they watched the Twins play the Red Sox. Top home run hitter in the League is "Boo Boo" Trent (far right, 2nd row) who has knocked eleven balls over the fence. Jesse Campbell's Service Station is the sponsor of the team.

Tobacco Loan Levels Increase

Loan rate on 1971-crop tobacco have increased, said J.P. Alvis, Jr., Chairman of the Appomattox County Agricultural Stabilization and Conservation (ASC) Committee.

"As required by law, the 4.2 percent rise in tobacco loan levels reflects the increase in index of prices paid by farmers from 1966 through 1970, compared with average prices they paid in 1959," Mr. Alvis said.

Loans will be available on 1971-crop flue-cured tobacco, types 11-14, at 69.4 cents; fire-cured, types 21-23, at 48.5 cents; Virginia sun-cured, type 37, at 43.1 cents; and burley, type 31, at 71.5 cents.

Growers confirming with program provisions for the type of tobacco they grow are eligible for support loans through their producer associations. Also, to be eligible, each grower must certify he has not used DDT or TDE pesticides on his 1971 tobacco crop.

In a meeting held June 22, 1971, the

FUEL OIL DISTRIBUTORS of Appomattox, Virginia

met and decided upon the following proposals in order to combat the increasing cost of operations:

1. That the lending of heating oil tanks for both home and commercial heating be discontinued and that all new tanks sold be sold at a cost that would cover our cost of the tanks and stands involved. Until further notice, the cost of these tanks and stands will be as follows:

$39.00	$15.00	FITTINGS	$5.50
275 BASEMENT AND STAND		$59.50 PLUS SALES TAX	
280 UNDERGROUND		$48.00 PLUS SALES TAX	
550 UNDERGROUND		$85.00 PLUS SALES TAX	
1000 UNDERGROUND		$140.00 PLUS SALES TAX	

2. That if requested we will deliver and set up the basement tanks ready for filling at a cost of $10.00 plus fittings and tubing.

3. That we do not pay for the digging of holes for underground tanks. A charge will be made for digging the hole based upon time and distance involved.

4. That no 55 gallon drums be delivered to be used as heating storage tanks.

5. That in the event of having to replace a tank already in use due to a leakage occurring, etc., that the customer be required to purchase the new tank.

6. That in order to keep some customers from jumping from one dealer to another before or during the heating season, that all the dealers involved prepare a list of their delinquent accounts in late summer or early fall and exchange these lists with each other.

Guess Who?

This is not an article about a person who had done something wrong but about who is responsible for what's wrong with the world today.

Some people say its the young folk, some say it's those who use drugs, some say it's the older people, some say it's the blacks, some say it's the whites, some een use the excuse that it's our God, but I say it's me.

Well, why can't it be me? I really can't see where I have done anything to help the cause. I really think that I am the cause of it. You are probably saying cause of what? Is it LOVE? No, we can't find LOVE today. Is it PEACE? No, not with the war in VIET NAM. Is it TO-GATHERNESS? No, not the way blacks and whites act today. Is it by having so much love for our COUNTRY? Are you kidding; you mean that land which is the land of the Free and the land of the Brave. No, not the way draft cards are being burned and to say nothing about the Flag.

O.K. I'll take my part of the blame and I am responsible but who will stand with me? Will you? Doctor, Lawyer, Policeman, Minister, Teacher, Mother, Father, Brother, Sister and American? I am just a little old nothing in today's world; but yet you big people will let me carry the blame, Where you have a voice in the Government that's much more powerful than mine. Let's not blame each other; let's blame ourselves. Maybe if we do this; it may be we can really stand up and sing, "MY C OUNTRY 'TIS OF THEE."

Four Men Of Co. C

Four members of the reactivated Co. C., Second N. C. Infantry Regiment, Confederate States of America, came from Rama, Friday and Saturday to be a part of the "living history" program offered this season at Appomattox Court National Historical Park. (Note the Pamplin pipe being held by Vance Sheffer, 2nd from left). These men of Co. C knew of the encampment of the 3rd Arkansas Regiment (see last week's T-VA) and decided to join them. Some of the men also have Revolutionary War uniforms and are taking part in events leading up to the 200th anniversary of the Declaration of Independence. Men of Co. C then become a part of the 5th Penna. Light Infantry Regiment which Robert Grindrod (far left) explained as the 'Green Berets' of the Revolution. As CSA soldiers they make their own jackets out of homespun or other authentic materials, sew on antique CSA buttons and carry authentic firearms. By the end of a muggy Saturday they were also looking for a refreshing "swimming hole" in which to cool off from heavy clothes and heavy packs. (From left): Robert Grindrod, Vance Sheffer, James Kirkpatrick and Michael Hertz, all from near Gettysburg, Pa.
